

## PHASE I: DRAFT CURRICULUM WORKSHEET

For an Associate Degree with Designation in \_\_\_\_\_

Faculty-to-Faculty Conference – October 25, 2019

The purpose of the conference is to assist the General Education Council (GE Council) in updating the Statewide Transfer Articulation Agreement for your discipline. Faculty groups may decide to take notes on the existing STAA document or use this blank worksheet. As a reminder, the STAA must articulate 60 credits of community college coursework that:

- will fulfill the requirements for an AA or AS Degree with Designation;
- will transfer into a BA or BS degree at a four-year institution;
- will put the transfer student at junior status when admitted; and
- will allow the transfer student to graduate with the BA or BS degree in no more than 60 credits of additional coursework, for a total of 120 credits.
- NOTE: the work products for engineering and educator preparation may result in an AA/AS of more than 60 credits, and a bachelor’s degree in more than 120 credits, provided the degrees can be completed within two years and four years, respectively

<b>Courses that Fulfill General Education Requirements</b>			<b>31</b>
	<b>Credit Hours</b>	<b>Community College Course No.</b>	<b>Course Title or Category</b>
<b>Arts &amp; Humanities, History, and Social &amp; Behavioral Sciences:</b> <i>Must be 15 credit hours total.
