

PATH4WARD

STUDENT CHECKLIST

BEFORE GRADUATING

- Meet with your high school counselor to determine your eligibility to receive Path4Ward Funds
- Discuss your early graduation plans with your high school counselor to ensure you are taking the classes necessary to meet graduation requirements
- Meet with your principal/administrator to confirm that you will graduate early
- Complete your FAFSA or CASFA
- Explore approved college, workforce training, or career technical programs

AFTER GRADUATION

- Explore approved colleges, workforce training programs, or career technical programs
- Apply and enroll in a postsecondary institution or program before December 31, 2026

UPON ENROLLMENT

- Meet with an academic/program advisor to enroll in courses and ensure all preliminary institutional requirements are met
- Complete the Path4Ward Fund Request form on the CDHE website and begin attending your program or institution
- Once CDHE confirms your attendance, CDHE will deliver your scholarship to the institution
- The institution will release your remaining scholarship funds once tuition and fees are paid. You can then utilize the remaining funds for other costs of attendance such as books, tools, or transportation
