RN to BSN Transfer Guide for Colorado Nursing Programs

The Colorado Department of Higher Education is not responsible for the content of this guide. Students who wish to transfer coursework should consult with the Office of Admissions and the contacts listed below at the institution to which they are considering transferring to review the courses they have taken and that they intend to take and to make sure they meet all admission and application requirements at the receiving institution, including the submission of all required documentation by stated deadlines.

Program Name & Bullet Info	Pre-Requisite Courses Required	Nursing Courses
1. A **new** Colorado Mountain College (CMC) Application for Admission is **required** from all applicants, including current or past CMC students, to provide current contact and residency information. 2. Applicants must be a graduate from an accredited AAS/ADN or Diploma Nursing Program. 3. Applicants must include a copy of current and unencumbered RN license from the State of Colorado. 4. Applicants MUST have a current American Heart Association CPR Certification and provide a copy of the CPR Certification. 5. If an applicant applies more than 3 years after receiving the associate degree in nursing, a minimum of 1000 hours of nursing work experience is required within the last three years (verified by the employer). 6. Applicants must hold a minimum cumulative GPA of 2.5 or higher on a 4.0 scale. 7. Applicants must submit an official transcript(s) for college credits completed. A CMC Application for Admission must be completed prior to having transcripts sent in. Applicants can fill out a CMC Application for Admission at any CMC site at the Registration Office. Remember to make a copy of the CMC Application for Admission, since you will also need a copy for your RN to BSN Nursing Application. The AD nursing program courses are pre-requisites and must be completed prior to beginning the BSN courses, with a grade of C or better. 8. Pass a drug and background check. Online, face-to-face orientation and academic advising available. Transfer Credit for Nursing courses completed as part of the AAS in nursing degree = Block Credit for Nursing = 44 (Total BSN program is 122)	BIO 202 – Human Anatomy & Physiology II with lab (4) BIO 204 – Microbiology (4) BIO 216- Human Pathophysiology (4) PSY 235 – Human Growth & Development (3) Soc or Behavioral Science Elective (3) History elective (3) Advised transferable elective (3)	NUR380- Healthcare Finance & Economics (3) NUR430 - Nurse Researcher & Evidence-based Scholarly Practice (3) NUR440 – Information Management, Healthcare Systems and Processes: Safety, Quality and Sustainability (3) NUR460- Leadership: Professional Role as Communicator, Collaborator and Change Agent (3) NUR490– Senior Synthesis Project (5)

The RN-BSN in Nursing program offers currently licensed registered nurses the opportunity to engage in a program to complete a Bachelor of Science in Nursing degree. The RN-MS program offers a single program of studies that spans both the Bachelor of Science in Nursing degree and the Master of Science degree in nursing. It is offered in the Leadership in Health Care Systems specialization, with a variety of certificates which can be stacked to capitalize on credits already completed, such as Educator, Manager, and Informatics. https://www.regis.edu/RHCHP/Academics/Degrees-and-Programs/Undergraduate-Programs/RN-to-MS-in-Nursing.aspx	120 SH Credit for ADN and RN licensure = 66-80 SH Core Studies Requirements – 12 SH Philosophy (HCE 430R **or** HCE604-Health Care Ethics is required) (3) Religious Studies (6) Departmental Requirements – 3 SH MT 270 - Intro to Statistics **or** MT 274 - Statistics for the Health Professional (3) Upper Division and General Electives- 6-14 SH **RN from Non-Regionally Accredited ADN/Diploma Program:** Total Degree Requirements BSN portion - 120 SH Credit for RN licensure= 30 SH (33 SH if nutrition transferred in) Core Studies Requirements - 21 SH English Composition (3) Literature/Humanities/Oral and Written Communication (3) Philosophy (HCE 430R **or** HCE604-Health Care Ethics is required) (6) Religious Studies (6) Social Science/Economics/Business (3) Departmental Requirements - 27 SH BL 254 - Intro to Med Microbiology (3) BL 255 - Intro to Microbiology Lab(1) BL 274 - Intro to Human Anatomy (3) BL 275 - Human Anatomy Laboratory (1) BL 276 - Intro to Human Physiology (3)	NR 460R - Evidence-Based Practice in Nursing (3) NR 466R - Community Health (3) NR 478R – Comm.
